

# Use the GLM, Luke.

Eduard Szöcs

August 21, 2014

## **1 Introduction**

### **1.1 Generalized Linear Models**

## **2 Methods**

### **2.1 Simulation scenarious**

### **2.2 Simulations based on real data**

## **3 Results**

### **3.1 Simulation scenarious**

### **3.2 Simulations based on real data**

## **4 Discussion**

## **5 Conclusion**

## **A Tipps (Or move up to introduction?) Check distribution Plot mean variance relationship**
